While every attempt has been made to ensure the information presented on The Heritage Register is accurate, ultimate responsibility lies with a property owner. We shall not be liable for damage suffered by users as a result of inaccuracies. If the property you are looking for does not appear on The Heritage Register this doesn't necessarily mean that no heritage flags apply. It is more likely that data from your suburb has not been captured. If your property is not listed, our team can compile a heritage status report for you for a small fee.
